

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

29 March 1983

Alfonso Sapia-Bosch
NSC Staff
Room 375 Old EOB

Dear Al:

I think you will find this assessment on Mexico by one of my senior specialists both timely and provocative.

The Director, who asked for the analysis, has already forwarded copies to Secretaries Shultz, Weinberger, and Regan, and to Judge Clark.

Sincerely,

Henry S. Rowen
Chairman
